

Kindergarten  
Classroom Newsletter  
April 28, 2017

**Math**

We'll continue working on addition and subtraction. Further, our story problems are reinforcing the operation of subtraction.

Please make sure you are reinforcing the subtraction facts 0-5 at home. Further, continue ensuring the addition facts are mastered.

**Language Arts**

With each day that passes, our anticipation grows for our spring show! We will continue our singing and poetry sessions throughout our language arts block.

Further, we'll read about plant needs and plant parts.

Finally, our daily journal writing complements our ABC Countdown. The children are working on their penmanship and writing simple sentences that correlate with each letter of the alphabet.

**Thank you...**

A special thanks to the volunteers who helped us prepare our spring show props. We really appreciate your support as we prepare for the BIG day!

**May 2<sup>nd</sup> Deadline...**

If you haven't yet submitted your child's special projects fund for our May project, please send in the \$3 in an envelope labeled with your child's name by **Tuesday, May 2<sup>nd</sup>.**
