

Early Childhood News

March 13 – 31, 2017

Read It Once Again Book

Jump, Frog, Jump

A Note from O.T.

Play doh is a wonderful toy. The smell and texture are fabulous for the sensory system. The strength needed to squeeze and mold it will make your child stronger. Many play doh kits are going on sale now for the Easter season. You can even work on cutting and strength skills by rolling the doh and cutting it into pieces.

Classroom Donations

- We're looking for materials to add to our Vet Center: Bandages, old "scrubs" shirts for the kids to wear, any toy doctor items, etc.

What We're Learning

Numbers: 6, 7, 8,

Introducing: Beginning Sounds

Reviewing: Sorting by categories, size order, counting, opposites, "wh" questions, sequencing, functions of objects, story sequencing, prepositions

From Mrs. Rafter

With the changing weather, we try to go outside on nice days. If it is too cold, wet, or snowy, we will go to the gym. Gym shoes are the safest option for all Motor activities.

Some fun ideas for Spring Break:
neighborhood parks, local library, children museums, zoo, play outside, draw with chalk, ride bikes

HAVE FUN!!!

Mrs. Jill Rafter
