

Earth Day Grocery Bags 2017

Included with this letter are grocery bags for Earth Day provided by Jewel. Please allow your students to decorate all 4 sides of a bag to represent something related to Earth Day, trees, conservation or recycling. Students may also bring the bags home to decorate and return to school. We have about 250 bags, so if your students would like more bags to decorate, just ask. They will be passed out at the Palos Park Jewel on April 22, Earth Day.
