

# Mr. Hrymak's Final Weekly Newsletter

Week of May 30, 2017

---

Happy Tuesday! This is the final week of school and the final week for the fifth graders at Palos West!

There are several events happening this week. The list of events is at the end of this communication.

Over the last few weeks, students have been creating their own, personal, book of poems. Students will be sharing their favorite poems with the class this week. The book will be sent home for you to enjoy, soon.

If you send your child with a 'thumb' drive, he or she may transfer some of this year's class pictures to the drive as a photo memento of their fifth grade experience.

As we complete our year, students will be cleaning out their desks and lockers. Please send your child with some paper bags, tomorrow, in order to bring home their various belongings.

## **Important Upcoming Stuff:**

- The *Palos West Walk for Wellness* event is today.
- Dr. Carvey will visit fifth graders tomorrow, May 31, for the annual *Brain Day* event. Students will get the opportunity to learn about, and hold, a real human brain...as well as other brains!
- The fifth grade picnic party is also tomorrow, Wednesday, from 1:30 - 2:30ish.
- Thursday is the annual end-of-the-year, school-wide slide show. It is also a  $\frac{1}{2}$  day for students. There is a noon dismissal time.
- The last day of school will be this Friday, June 2, from 9:00 - 10:00.
- Enjoy the week!
